Terracotta Warriors – Pit 2

Terracotta Warrior Army

The Terracotta Warriors are the most significant archaeological excavation of the 20th century and the museum is the most popular attraction to visit in Xi`an. For this tour we will start by visiting the Terracotta Warriors and museum. After that, we will visit a cave-dwelling folk-house near the museum, which used to be a very common residence in the rural area around Xi`an. For lunch, we will go to a restaurant to taste our local food.
